№ 227

На № от 21.11.2013г.

Dear Ms. Saldari,

In 2006 our school submitted documents for obtaining ASPnet Member Certificate. We were informed by Russian National ASPnet coordinator that the Certificate was issued and Municipal Budgetary General Education Institution "Secondary General Education School #24" of Angarsk, Irkutskaya Oblast, Russia was included into the list of ASPnet Schools.

Unfortunately, we have never received our Certificate as it probably has been lost during transfer by mail.

Our students and teachers have been actively participating in ASPnet project for eight years. Please, find attached our school's 2012-2013 Activities Report and 2013-2014 Work Plan.

In this regard I would greatly appreciate if you could issue another Certificate for our school.

Sincerely yours,

Mr. Alexander Chikishev  
Principal,  
Secondary General Education School # 24,  
Angarsk, Russia
